

Little Library Flier

Hello fellow students of the amazing Highland School. Emma Byrd and Zoe Smith are doing an amazing project for the school. When we have the dates set up, we will do a grand opening! We are starting a Highlanders Little Library! Now, some of you might not know what a Little Library is. The Little Library is a fun way to get young readers new books to read. If you take a book, then you have to exchange it with a book you don't want any more. This is a picture of what a Little Library looks like.
