## Fundraiser Participation Consent

- The school will explain, to the extent possible, how the money earned will be spent (i.e. computers, supplies, etc.)
- There shall be no door-to-door sales without adult supervision.
- There shall be no solicitation on private property (i.e. malls, grocery stores, shopping centers) without written permission from the property owner/manager and without adult supervision.
- Students shall be prohibited from direct solicitation, or the holding of directional signs, in or on public thoroughfares.

In accordance with these guidelines, please sign below.

## Emergency Dismissal Information Form

Dear Parents/Guardians,

In the event that the school will have to close early due to an emergency such as snow or ice, we need to know your child’s afterschool plans. Please complete this form and return it to your child’s teacher. Please note that if dismissal is before noon, day care will be closed; if dismissal occurs after noon, day care will operate on its normal schedule.

In the event of early dismissal, the EVSC will send out a Connect Ed message to all parents notifying them of the situation. Announcements to local media, including radio and television also will be made.

Thank you for your cooperation.
