

Stock up for summer reading at our  
**PAWS FOR BOOKS  
BOOK FAIR**

Highland School April 30 - May 3, 2018

You are invited to our Paws for Books BOGO Book Fair, which is a reading event that brings the books kids want to read right into our school. The Book Fair offers a wonderful selection of engaging and affordable books for every reading level, and it's a good value because it's a Buy One Get One Free sale. With every book purchased you receive an additional book of equal or lesser value free. The BOGO sale is slightly different from our fall Book Fair. There will be no preview days during class time, no online fair, and no ordering books if we are out of stock. For the best selection, we recommend that you come to the special event Family Night of Arts & Books, which is on Tuesday, May 1, from 3:00 pm – 7:00 pm.
