

April 6, 2017

Dear Highlander Families,

The Highland family commitment to Riley Children's Hospital, a TWENTY TWO-year tradition, will continue next week. We are naming the program "***Hope Happens Here,***" dedicated to the countless children who are alive today because of Riley Children's Hospital. Through this program, we are celebrating their lives as well as the good health that the majority of Highland's students and staff enjoy.

"Hope Happens Here" will begin **Monday, April 10th and run through Thursday, April 13th.** Your child can contribute to this worthwhile program by purchasing a paper hand (our symbol for your child's "helping hand") for the following values:

- Red/Gold hand: 50 cents
- Purple hand: \$1
- Blue hand: \$5
- Green hand: \$10
-

We also have paper megaphones for those who desire to be "cheerleaders" for Riley kids:

- Megaphone: \$20

Hands and megaphones will be displayed in the gymnasium with the first name of the contributor featured. The grade level that contributes the greatest amount of support will be treated with ice cream. The individual classroom that contributes the greatest amount will enjoy a pizza party and extra recess time.

Please join us as we continue the Highland tradition of giving. You will not only help children who need medical care throughout the state, but you will also help your child learn the value and joy of helping others. If you desire to make a tax-deductible gift, please make your check payable to **"Riley Children's Hospital - Hope Happens Here."**

Sincerely,

Mrs. Lisa Hale, Principal

Mrs. Kendyl Ashworth and Mr. Damon Brown, Physical Education teachers
