

Let's "Make a Change"

ATTENTION HIGHLANDERS!

Your help is needed! Please donate money to help us purchase a wagon to fill with toys. The wagon and all toys will be donated to our local Pediatric Unit at Deaconess Gateway Hospital. The toys will be shared with children to make their stay a bit happier. If you donate money, you will receive a COOL rubber bracelet. The class with the largest donation will attend a party filled with extra recess, snacks, and fun.

So please donate!

THANK YOU!!!

Cash donations are preferred but checks (made out to Michelle Hammett) are acceptable.
