

# Reading Skills Programs

## OFFERED THIS SUMMER ON CAMPUS

**4-Year-Olds and Entering Kindergartners:** In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will be excited about books and reading.

**Entering 1st Graders:** In this fun summer program, your child will learn to read independently. Children learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Your child will be excited about reading and get off to a great start in 1st grade.

**Entering 2nd Graders:** In this fun summer program, your child will become a fluent, confident reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will gain confidence, be excited about books and reading, and get off to a great start in 2nd grade.

**Entering 3rd Graders:** In this fun summer program, your child will become a strong, fluent reader. Children develop long-word decoding skills, reading fluency, and excellent comprehension. Your child will gain confidence, develop a lifelong love of books and reading, and get off to a great start in 3rd grade.

**Entering 4th Graders and Entering 5th Graders:** In these fun and effective programs, your child will become a skilled, enthusiastic reader. Students develop strong comprehension skills in fiction, non-fiction, and textbooks. They build long-word decoding skills and learn to read more fluently and rapidly. Your child will complete homework more quickly and easily, be more successful in school, and develop a lifelong love of reading.

**Entering 6th through 8th Graders and Entering 9th through 11th Graders:** In these effective and enjoyable programs, your son or daughter will make substantial gains in their comprehension while doubling their reading speed. Students learn the best way to take notes, study for tests, and read fiction, non-fiction, and textbooks. Your student will complete homework more quickly and easily, get better grades, and enjoy reading more.

# TEACHERS

Programs are offered by the Center for the Advancement of Learning at the University of Evansville, a nonprofit organization. Classes are taught by instructors from the Institute of Reading Development.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!"

— Parent of 4th grader
