

Virtual Learning Info:

Google Classroom -

1. Your assignments will be posted on Google Classroom
2. Math/Science is grouped together and Reading/Social Studies will be grouped together.
3. The days will alternate starting with Math/Science (April 13th) and Reading/Social Studies (April 17th).
4. The assignments are online and graded, unless you specify that you do not have online services.
5. Google Classroom work on phones, tablets, computers, playstation, and Xbox.

RDS -

1. These assignments are for a grade.
2. I will post grades on RDS. If you do not complete the assignment, the assignment will be entered as "M" (0 points) until you complete the activity.
3. Check RDS for your grade.

Edulastic -

1. Many of the Math assignments will be on Edulastic.
2. Edulastic works with computers, tablets, and phones. On phones, it recommended to view it on landscape, rather than portrait.
3. Remember: **Clicking submit is official**. If you would like to work on it later, you can simply close the tab. Edulastic will remember your responses.

Brainpop -

1. Brainpop is used for Science and Social Studies.
2. You will have videos and quizzes assigned to you.
3. Your grades on the quizzes will be used for 4th grading period. So, you should take them seriously.
4. Instructions on how to login and find your assignments are located in Google Classroom when Brainpop is assigned to you.

Gmail -

1. I will email important information to you.
2. During these virtual days, you will want to check your email quite often.
3. At some point, we will meet on webex and I will send the information to you through email.
4. If you have a question, email will be the best way to ask.
