

5th Grade Virtual Academy

(Snow make-up day)

Assignments for: January 17 - 20 Week 1

Due: Week 1 Assignment Due - Tuesday, January 24

To see the assignment for this week, go to: goo.gl/9nvOJm

Math

Log onto www.pearsonsuccessnet.com

Use your username: *first name last name* and password: *highland5*

Click on the right hand box that says "**To Do**" to see your assignments. There should be **three** tasks to do. After completing each task, click the "**I'm Done**" button.

- 1) Watch the visual learning animation for Standard 5.NF.A.1 fractions.
- 2) Then complete the worksheet by answering the questions **on a piece of paper** or print it off if you prefer. Turn this into your teacher.
- 3) Finally play the Dragon Drop game to practice fractions.

Reading

1. Log onto www.myngconnect.com

username computer#evsc

password reading

2. Click on "resources"

3. Select the blue Reach for Reading book.

4. Select Unit 8, Build Background Video, and then click on and watch "*One Idea*"

5. Next, go to *games*, Unit 8, *vocabulary*, and select a vocabulary game to practice your vocabulary words that go with this unit. (Reading Textbook Pages: 535, 537, 569, & 571)

6. Then, think back to last week's story "*Starting Your Own Business: Seven Steps to Success.*" (Textbook page 541) (You can also access it online on www.myngconnect.com)

7. Using a sheet of paper, or a Google Doc, choose a business you would like to start.

8. **List the steps** you would need to follow to start the business.

9. Once you have listed the steps, place them into a story about your business. You should have a minimum of 3 paragraphs.

1. You need to list what your business is.

2. How you are going to start it.

3. What you will do when you become successful.

Standard 5.RN.2.3 I can use text features to find information from a variety of sources to answer a question or solve a problem.

Standard 5.W.3.3a I can write a narrative with clear descriptive details.

Standard 5.C.9 I can use parentheses, brackets, or braces in numerical expressions, and evaluate expressions with these symbols.

Standard 5.C.1 I can add, subtract, multiply, and divide numbers using the correct order of operations.

2017 Fifth Grade Office Hours Calendar:

This calendar will be provided to you on a weekly basis as the virtual learning days occur. The calendar provides you with contact information for the fifth grade team as well as the specific personnel assigned to specific days and times each week. The personnel availability may change from week to week as the virtual days occur. Please reference each weekly calendar to see whom you should contact by email at specific times on specific days if you have questions or concerns regarding the virtual learning tasks.
